Renewable Energy Certificate Record Keeping: Seller will deliver, to the extent applicable, the Attestation and Disclosure Document, in a form similar to that attached hereto, or in such other form as may be required from time to time by such Certification Authority or as may from time to time be mutually agreed to by the Parties pursuant to the terms of the Applicable Program.

ATTESTATION

_____, as the authorized representative of Party A declares that Party A hereby sells, transfers and delivers to Buyer the Product (including all Environmental Attributes and Product Reporting Rights) associated with the RECs specified in the Confirmation above.

Further, I declare that:

1. All the Environmental Attributes, including any emissions reduction credits or emissions allowances, represented by the renewable electricity generation listed below are transferred to the Counterparty
2. To the best of Party A's knowledge, the Environmental Attributes were not sold, marketed or otherwise claimed by a third party
3. Party A sold the renewable attributes only once
4. The Environmental Attributes or the electricity that was generated with the attributes was not used to meet any federal, state or local renewable energy requirement, renewable energy procurement, renewable portfolio standard, or other renewable energy mandate by Party A nor, to the best of Party A's knowledge, any other entity
5. The electrical energy that was generated with the attributes was not separately sold, separately marketed or otherwise separately represented as renewable energy by Party A or to the best of Party A knowledge, any other entity.

As an authorized agent of Party A _____
I attest that the above statements are true and correct.
