2. Article 2: Section 2.2—“Payment”.

Section 2.2 is replaced in its entirety with the following:

If monthly invoicing is specified in the Cover Sheet, as soon as practicable after the Deliveries have been made, each party will render to the other Party an invoice for the payment obligations. Only one invoice shall be rendered per month. Unless otherwise agreed by the Parties in a Transaction, all invoices under this Agreement shall be due and payable in accordance with each Party’s invoice instructions on or before the first Business Day after the ninth (9th) day of the month following of the month in which the invoice is received. Payment shall only be made for those RECs Delivered or transferred to Party B’s PJM EIS GATS and/or M-RETS account. In any given month, payments shall be made for an amount that shall not cause the cumulative payments to Seller to exceed $x/12$ of the total value of RECs across all Confirmations; where x is the number of months after May 2009 as of the date that the invoice is rendered. If necessary, the payment shall be adjusted so that no payment shall be made for any fraction or portion of a REC. For example, for an invoice rendered on August 10, 2009, Buyer shall make payments for RECs Delivered or transferred to its PJM EIS GATS or M-RETS account, and for an amount that shall not cause the cumulative payments to Seller to exceed $3/12$ of the total value of RECs across all Confirmations.

Each Party will make payments in accordance with invoice instructions by electronic funds transfer, or by other mutually agreed methods, to the account designated on the Cover Sheet. Any failure by Buyer to make a payment or prepayment will not excuse Buyer’s performance, and, unless otherwise provided in a Transaction, any failure by Seller to Deliver the quantity agreed to in the Transaction will not excuse Seller’s performance. Any amounts not paid by the due date are delinquent and will accrue interest at the prime rate of interest until an Event of Default has been declared, in which case such amounts will bear interest at the prime lending rate of interest plus three percent per annum. A Party may, in good faith, dispute the correctness of any invoice within one year. If an invoice or portion thereof is disputed, the undisputed portion of the invoice must be paid when due, with notice of the objection given to the other Party. Any invoice dispute must be in writing and state the basis for the dispute, which must be in good faith. Subject to Section 5.4, a Party may withhold payment of the disputed amount until two Business Days following the resolution of the dispute, and any amounts not paid when originally due will bear interest at the prime lending rate of interest from the due date as originally invoiced. Inadvertent overpayments will be returned upon request or deducted by the Party receiving such overpayment from subsequent payments, with interest at the prime lending rate of interest from and including the date of such overpayment. Any dispute with respect to an invoice is waived unless the other Party is notified in accordance with this Section within one year after the invoice is rendered. The Parties will discharge mutual debts and payment obligations due and owing to each other

pursuant to all Transactions through netting, in which case all amounts owed by each Party to the other Party for the purchase and sale of Products, including any related damages calculated, interest, and payments or credits, will be netted so that only the excess amount remaining due shall be paid by the Party who owes it.

3. Article 2: Section 2.3—“Confirmation”.

Section 2.3 is amended in its entirety, as follows:

The Parties shall confirm a Transaction by executing a confirmation (“Confirmation” or “Product Order”) substantially in the form of Exhibit B (“Confirmation Sheet”) of this Agreement.

Buyer will forward by electronic means to Seller one (1) copy of the unexecuted Confirmation(s) pursuant to this Agreement by the Business Day following the day on which Seller is selected and approved by the Illinois Commerce Commission as a Seller pursuant to this Agreement. By 2:00 p.m. EPT on the next Business Day following Seller’s receipt of such unexecuted Confirmation(s), the Parties shall execute two (2) originals of each Confirmation in counterpart and shall return by facsimile or electronic means to the other Party one (1) copy of each executed Confirmation, and shall send by overnight delivery to the other Party one (1) executed original of each Confirmation and retain one (1) executed original of each Confirmation for their own records. Buyer shall also fully execute this Agreement and send along with the executed Confirmation(s) one (1) original of this Agreement.

4. Article 2: Section 2.4—“Taxes and Fees”.

Section 2.4 is amended by adding the following to the end of that Section:

Seller shall be responsible for paying the Supplier Fee indicated in a Confirmation on the date indicated in such Confirmation.

5. Article 2: Section 2.5—“Transfer of Title”.

The following is added to the Agreement as Section 2.5.1

The Parties agree to follow the specific delivery rules applicable to PJM EIS GATS and/or M-RETS, as appropriate. The Seller shall Deliver PJM EIS GATS and/or M-RETS RECs by initiating transfer to the PJM EIS GATS and/or M-RETS account of the Buyer. The transfer of the PJM EIS GATS and/or M-RETS RECs shall represent a transfer of and valid title to such PJM EIS GATS and/or M-RETS RECs free and clear of any lien or other encumbrance.

6. Article 3: Section 3.2 – “Warranties of Seller”.

Section 3.2 is amended by replacing “by any” in the third to last line of the Section with “of any”.

7. Article 4—“Credit and Collateral Requirements”.

Section 4.2 is replaced in its entirety by the following:

If stated to be applicable on the Cover Sheet for a Party, Collateral Annex and Paragraph 10 of the Collateral Annex with the elections designated in the form attached hereto, shall apply.

8. Article 5—“Events of Default, Remedies”.

(b) If Seller fails to Deliver a minimum portion of the value of RECs, as set forth in this subsection, by the Delivery Date occurring in the months between June 2009 and July 2010, then this shall be considered an Event of Default. Deliveries must be made for whole RECs only, and shall not be for any fraction or portion of a REC. The minimum portion of the value of RECs established for each of the months between June 2009 and July 2010, is as follows:

The Party receiving such notice of Force Majeure will have until the end of the Business Day following such receipt to notify the Claiming Party that it objects to or disputes the existence of Force Majeure. “Force Majeure” means only (i) the inability to Deliver RECs due to the unavailability of PJM EIS GATS and/or M-RETS as appropriate and (ii) nation wide or statewide shutdown, by a Governmental Authority, of facilities capable of producing the applicable RECs. Force Majeure may not be based on (i) the loss or failure of Buyer’s markets; (ii) Buyer’s inability economically to use or resell the Product purchased hereunder; or (iii) Seller’s ability to sell the Product to another at a price greater than the Purchase Price. In the case of a Party’s obligation to make payments hereunder, Force Majeure will be only an event or act of a Governmental Authority that on any day disables the banking system through which a Party makes such payments.

10. Article 8—“Governing Law, Statue of Frauds”.

This Article is amended by deleting the following:

Unless a Party expressly objects at the beginning of a telephone conversation, each Party consents to the creation of a tape or electronic recording of all telephone conversations between them, and agrees to retain such recordings in confidence, secured from improper access, and available to be submitted in evidence in any proceeding relating hereto, including as evidence that a contract has been made between them. Each Party waives any further notice of such recording, and agrees to notify and obtain any necessary consents from its officers and employees, and indemnify, defend and hold harmless the other Party from any liability arising from failure to obtain such

consents. To the full extent permitted under Applicable Law, if the Parties have agreed on the terms of a Transaction, the Parties agree not to contest, or to enter any defense concerning the validity or enforceability of a Transaction on the grounds that the documentation for such Transaction fails to comply with the requirements of a jurisdiction's Statute of Frauds or other Applicable Law requiring agreements to be written or signed.

"Delivery of an executed counterpart of a signature page to this Agreement or to any Product Order by facsimile or electronic means shall be effective as delivery of a manually executed counterpart of this Agreement or Product Order. Electronic or fax copies of executed original copies of this Agreement and any Product Order shall be sufficient and admissible evidence of the content and existence of this Agreement or any Product Order to the same extent as the originally executed copy or copies (if executed in counterpart)."
