Illinois Power Agency Procurement Plan

Invitation to Comment on Standard Contract Form Renewable Energy Credits

The Illinois Power Agency ("IPA") will solicit offers to secure Renewable Energy Credits to meet the supply needs of eligible retail customers of Commonwealth Edison Company ("ComEd"). Offers for renewable energy credits will be solicited through a Request for Proposals ("REC RFP"). NERA Economic Consulting has been retained by the Illinois Power Agency ("IPA") as the Procurement Administrator for ComEd's portfolio.

For the procurement of Renewable Energy Credits ("RECs"), the Procurement Administrator is proposing as the standard contract form the ABA-EMA-ACORE Master Renewable Energy Certificate Purchase & Sale Agreement with certain modifications and specific terms (the "REC Master Agreement"). The REC Master Agreement was posted to the Web site (www.comed-energyrfp.com) on March 25, 2009.

The Procurement Administrator invites interested parties to submit their comments on the REC Master Agreement.
